III. And be it further enacted, That where any Deed or other Instrument already made or hereafter to be made as an additional or further Security for any Sum or Sums of Money, or any Share or Shares in any of the Government or Parliamentary Stocks or Funds, or in the Stock and Funds of the Governor and Company of the Bank of England or of the Bank of Ireland, already or previously secured by any Bond on which the *ad valorem* Duty on Bonds, charged by the said recited Acts of the Fifth fifth and Fifty sixth Years of the Reign of His said late Majesty, and the Schedules thereto respectively annexed, shall have been paid, such Deed or other Instrument shall be and he deemed to be and to have been exempt from the several of *valorem* Duties charged by the said Acts, and the said Schedules respectively on Mortgages, and shall be charged and chargeable only with the ordinary Duty payable on Deeds in general, in Great Britain and Ireland respectively; but if any further Sum of Money or Stock shall be added to the Principal Money or Stock already secured, the said *ad valorem* Duties respectively shall be charged in respect of such further Sum of Money or Stock; and if necessary for the sake of Evidence, the Deeds and Instruments hereby exempted from the said *ad valorem* Duties shall be stamped with a particular Stamp for denoting or testifying the Payment of the *ad valorem* Duty upon all the Deeds and Instruments relating to the particular Transactions, provided such Deeds and Instruments shall be produced at the Stamp Office in London or Dublin (as the case may require), and shall appear to be duly stamped with the Duties to which they are liable.

V. And Whereas by an Act made in the last Session of Parliament, intitled *An Act to remove Doubts as to the Amount of Stamp Duties to be paid on Deeds and other Instruments under the several Acts in force in Great Britain and Ireland respectively*, it is amongst other things provided, That any Deed, Agreement or other Instrument duly stamped pursuant to the said Act, shall not be liable to any Stamp Duty by reason of the same also containing any Covenant, Agreement or Obligation for the Payment of any Sum or Sums of Money, at whatever Place such Money may be made payable, or may by Law be payable; and it is expedient to repeal the said Provision in manner hereinafter contained: Be it therefore enacted, That the said recited Provision shall be and the same is hereby repealed, so far as relates to any such Covenant, Agreement or Obligation for the Payment of any Money which, either by Law or by the Terms of such Covenant, Agreement or Obligation, shall be payable in Ireland.

WHEREAS it is expedient to make further Regulation respecting the Trade of the Provinces of Upper and Lower Canada, in North America: Be it therefore enacted by the King's most Excellent Majesty, by and with the Advice and Consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the Authority of the same, That from and after the passing of this Act, it shall be lawful to import by Land or Inland Navigation to any British or American Vessel or Vessels, Boat or Boats, Carriage or Carriages, the Goods, Wares and Commodities the Growth, Produce or Manufacture of the United States of America, enumerated in the Schedule or Table annexed to this Act marked (A.), from any Port or Place in the United States of America, into any Port or Place of Entry at which a Custom House now is or hereafter may be lawfully established, in either of the Provinces of Upper and Lower Canada: Provided always nevertheless, that it shall and may be lawful for the Governor, Lieutenant Governor or Person administering the Government of either of the said Provinces respectively, by and with the Advice and Consent of the Executive Council thereof for the time being, from time to time to diminish or increase by Proclamation, the Number of Ports or Places which are or hereafter may be appointed as such Provinces for the Entry of Goods, Wares and Commodities imported from the United States of America.

II. And be it further enacted, That from and after the passing of this Act, there shall be raised, levied, collected and paid unto His Majesty, His Heirs and Successors, for and upon each of the Goods, Wares and Commodities which shall be so imported, as are enumerated in the Schedule or Table annexed to this Act marked (B.), the several Duties of Customs as the same are respectively inserted or described and set forth in Figures in the said Schedule.

III. Provided always, and be it further enacted, That if upon the Importation of any Article charged with Duty by this Act, the said Article shall also be liable to the Payment of Duty under the Authority of any Colonial Law, equal to or exceeding in Amount the Duty charged by this Act, then and in such Case the Duty charged upon such Article by this Act shall not be demanded or paid upon the Importation of such Article: Provided also, that if the Duty payable under such Colonial Law shall be less in Amount than the Duty payable by this Act, then and in such case the Difference only between the Amount of the Duty payable by this Act, and the Duty payable under the Authority of such Colonial Law, shall be deemed to be the Duty payable by this Act, and the same shall be collected and paid in such and the like manner, and appropriated and applied to such and the like Uses, as the Duties specified in the said Schedule annexed to this Act marked (B.) are directed to be collected, paid, appropriated and applied.

IV. And be it further enacted, That the same Tonnage Duties shall be paid upon all American Vessels or Boats, importing any Goods into either of the said Provinces, as are or may be for the time being payable in the United States of America, on British Vessels or Boats entering the Harbours of the same from whence such Goods shall have been imported.

V. And be it further enacted, That in all Cases in which the Duties imposed by this Act upon the Importation of Articles into the said Provinces, or either of them, are charged, not according to the Weight, Gauge or Measure, but according to the Value thereof, such Value shall be ascertained in the Manner prescribed by an Act passed in this present Session of Parliament, intituled, *An Act to regulate the Trade*

VI. And be it further enacted, That if the Importer or Proprietor of such Articles shall refuse to pay the Duties hereby imposed thereon, it shall and may be lawful for the Collector or other Chief Officer of the Customs where such Articles shall be exported, and he is hereby respectively required, to take and receive the same, with the Cases or other Package thereof, and to cause the same to be publicly sold, within the Space of Twenty Days at the most after such Refusal made, and at such Time and Place as such Officer shall, by Four or more Days public Notice, appoint for that Purpose; which Articles shall be sold to the highest Bidder, and the Money arising from the Sale thereof shall be applied to the Payment of the said Duties, together with the Charges which shall have been occasioned by the said Sale, and the Overplus (if any) shall be paid to such Importer, Proprietor or any other Person authorized to receive the same.

VII. And Whereas a certain Act made and passed in the Twenty eighth Year of the Reign of His late Majesty King George the Third, intitled *An Act to allow the Importation of Rum and other Spirits from His Majesty's Colonies or Plantations in the West Indies into the Province of Quebec, without Payment of Duty, under certain Conditions and Restrictions*, has been repealed during the present Session of Parliament: And Whereas Doubts may be entertained whether a certain other Act, passed in the Forty sixth Year of His said late Majesty's Reign, intitled *An Act to allow the Importation of Rum and other Spirits from the Island of Barbadoes into the Province of Lower Canada, without Payment of Duty, on the same Terms and Conditions as such Importation may be made directly from His Majesty's Sugar Colonies in the West Indies, might not still remain in force, notwithstanding the Repeal of the said first mentioned Act: Be it therefore enacted and declared, That the said last mentioned Act shall be and the same is hereby repealed.*

VIII. And Whereas it is expedient to afford Protection to the Trade between the said Colonies and Plantations and the Province of Lower Canada, by imposing the same Duty upon Rum or other Spirits, the Produce or Manufacture of the said Colonies, imported from Great Britain into the said Province, as is now payable upon the same Articles when imported from His Majesty's said Colonies or Plantations in the West Indies: Be it therefore enacted, That from and after the passing of this Act, there shall be raised, levied, collected and paid unto His Majesty, His Heirs and Successors, for and upon every Gallon of Rum or other Spirits, the Produce or Manufacture of any of His Majesty's Islands, Colonies or Plantations in the West Indies, which shall be imported or brought into any Part of the said Province of Lower Canada from Great Britain or Ireland, or any of the British Dominions in Europe, the Sum of Six Pence one and above all other Duties now or hereafter to be made payable thereon in the said Province.

IX. And be it further enacted, That the Rates and Duties chargeable by this Act shall be demand, and are hereby declared to be Sterling Money of Great Britain, and shall be collected, recovered and paid to the Amount of the Value which such nominal Sum bears in Great Britain; and that such Sums may be received and taken according to the Proportion and Value of Five Shillings and Six Pence to the Ounce in Silver; and that the said Duties heretofore granted shall be renewed, levied, collected, paid and received in the same Manner and Form, and by such Kicks, Ways and Means, and under such Licences and Permits as any other Duties payable to His Majesty upon Goods imported into the said Provinces of Upper and Lower Canada, or into either of them respectively, are or shall be raised, levied, collected, paid and recovered by any Act or Acts of Parliament, as fully and effectually to all Intents and Purposes, as if the several Clauses, Powers, Directiōns, Penalties and Forfeitures relating thereto were particularly repeated and again enacted in the Body of this Act; and that all the Monies which shall arise by the said Duties, (except the necessary Charges of raising, collecting, levying, recovering, answering, paying and accounting for the same) shall be paid by the Collector of His Majesty's Customs, into the Hands of His Majesty's Receiver General in the said Provinces respectively for the time being, and shall be applied to and for the Use of the Provinces of Upper and Lower Canada respectively, in such manner only as shall be directed by any Law or Laws which may be made by His Majesty, His Heirs or Successors, by and with the Advice and Consent of the Legislative Council and Assembly of each of the said Provinces respectively.

X. And be it further enacted, That it shall be lawful to export as any British or American Vessel or Vessels, Boat or Boats, Carriage or Carriages, from any of the Ports or Places of Entry, now or hereafter to be established in the said Provinces, to any Port or Place in the United States of America, any Article of the Growth, Produce or Manufacture of any of His Majesty's Dominions, or any other Article legally imported into the said Provinces: Provided always, that nothing herein contained shall be construed to permit or allow the Exportation of any Arms or Naval Stores, unless a License shall have been obtained for that Purpose from His Majesty's Secretary of State; and in case any such Articles shall be shipped or waterborne for the Purpose of being exported contrary to this Act, the same shall be forfeited, and shall and may be seized and prosecuted as hereinafter directed.

XI. And be it further enacted, That nothing in this Act contained shall be construed to interfere with or repeal, as respects the Inland Navigation of the said Provinces, any of the Provisions contained in a certain Act passed in the Seventh and Eighth Years of the Reign of King William, intitled *An Act for preventing Frauds, and regulating Matters in the Plantation Trade*; except in so far as the same are altered or repealed by this Act.

XII. And be it further enacted, That all Penalties and Forfeitures incurred in either of the said Provinces under this Act (except where it is otherwise provided,) shall and may be sued for and prosecuted

in any Court having competent Jurisdiction within each Province respectively; and the same shall and may be recovered, directed and accounted for in the same Manner and Form, and by the same Rules and Regulations in all respects as other Persons and Parties for Offences against the Laws relating to the Customs and Trade of the said Provinces respectively, shall or may by any Act or Acts of the Legislatures of such Province be directed to be sued for, prosecuted, recovered, divided and accounted for within the same respectively.

XIII. And Whereas it is expedient to encourage the Trade between Canada and His Majesty's Colonies of Newfoundland, New Scotia, New Brunswick and Prince Edward's Island, by enabling the Merchants and Traders of Newfoundland to export from thence into Canada Rum and other Spirits, the Produce of the British West India Islands, or any of His Majesty's Colonies on the Continent of North America, free of any Duty which may have been imposed upon the Importation from any of the Places last aforesaid, and for which Purpose to allow, upon the Export of such Rum or other Spirits, a Drawback of the full Duties paid upon the Importation thereof: Be it therefore enacted, That from and after the passing of this Act, there shall be paid and allowed, upon the Exportation from any of either of the said Colonies of Newfoundland, New Scotia, New Brunswick or Prince Edward's Island, into Canada, of Rum or other Spirits, being the Produce of the British West India Islands, or any of His Majesty's Colonies on the Continent of North America, a Drawback of the full Duties of Customs which may have been paid upon the Importation thereof from any of the Places last aforesaid, into any or either of the said Colonies of Newfoundland, New Scotia, New Brunswick or Prince Edward's Island, upon a Certificate being produced, under the Hands and Seals of the Collector and Comptroller of His Majesty's Customs at Quebec, certifying that the said Rum or other Spirits have been duly landed in Canada.

XIV. And be it further enacted, That no Entry shall pass nor any Drawback be paid or allowed, upon the Exportation of Rum or other Spirits from any or either of the said Colonies of Newfoundland, New Scotia, New Brunswick or Prince Edward's Island, into Canada, unless such Entry be made in the Name of the real Owner or Owners, Proprietor or Proprietors of the said Goods; and that before such Owner or Owners, Proprietor or Proprietors, shall receive the said Drawback so allowed as aforesaid, One or more of them shall verify upon Oath, upon the Oath sworn to be made out for the Payment of such Drawback, that he or they is or are the real Owner or Owners of the said Goods; nor unless Proof on Oath shall be made to the Satisfaction of the Collector and Comptroller of His Majesty's Customs at the Port from whence the said Goods shall be so exported into Canada, that the full Duties due upon the Importation of the said Goods at the said Port had been paid and discharged: Provided always, that in Cases where the Owners of the said Goods are resident in any other Part of the British Dominions, it shall be lawful for their Agents and established Agents in the Colonies from whence the said Goods shall be so imported into Canada, to take the necessary Oaths on behalf of the said Owners.

XV. And be it further enacted, That the said Drawback shall be paid by the Collector of His Majesty's Customs at the Port from whence the said Goods shall be so imported into Canada, with the Consent of the Comptroller there, out of any Moneys in his Hands arising from the Duties of Customs.

XVI. And be it further enacted, That no Drawback shall be paid and allowed as aforesaid, unless the said Rum or other Spirits shall be duly entered for Exportation with the proper Officers of the Customs, and actually shipped on board the Ship or Vessel in which the said Goods are intended to be exported, within the Space of One Year from the Time such Rum or other Spirits were originally imported into the Colony from whence it is intended to be exported into Canada, nor unless such Drawback shall be claimed within One Year after the Goods are so shipped for Exportation.

XVII. And Whereas since the Division of the Province of Quebec into the Provinces of Lower and Upper Canada, divers Regulations have from time to time been made, by Agreements concluded under the Authority of Acts passed by the Legislatures of the said Two Provinces respectively, concerning the imposing of Duties upon Articles imported into the Province of Lower Canada, and the Payment of Drawbacks of such Duties to the Province of Upper Canada, on account of the Exportation of Goods so imported into Lower Canada, and passing from thence into the said Province of Upper Canada, and contained therein; the last of which Agreements entered on the First Day of July One thousand eight hundred and sixteenth: And Whereas it appears by the Report of the Commissioners last appointed for the Purpose aforesaid, that the Province of Upper Canada claims certain Arrears from the Province of Lower Canada, on account of such Drawbacks, which Claims are not admitted on the Part of the Province of Lower Canada; and it further appears by the Report of the said Commissioners, appointed on behalf of both Provinces for the Purpose aforesaid, that they have failed to establish any Regulation for the Period before the First Day of July One thousand eight hundred and sixteenth, by reason that they could not agree upon the Proportion of Duties to be paid to Upper Canada by way of Drawbacks: For Remedy of this Inconvenience occasioned by the Suspension of the said Agreement, and for the satisfactory Investigation and Adjustment of the said Claims, be it enacted, That it shall and may be lawful for the Governor, Lieutenant Governor or Person administering the Government of each of the said Provinces of Upper and Lower Canada, so soon as conveniently may be after the passing of this Act, to appoint, by Commission under the Great Seal of his respective Province, One Arbitrator; and that the said Arbitrators so appointed shall have Power, by an Instrument under their Hands and Seals, to appoint a Third Arbitrator, and in case of their not agreeing in such Appointment within One Month from the Date of the Appointment of the Arbitrators an directed to be made on the Part of the respective Provinces, or the last thereof if the said Appointments shall not be made on the same Day, His Majesty,

His Heirs or Successors, shall have Power, by an Instrument under His Sign Manual, to appoint such Third Arbitrator, who (if appointed in manner last mentioned) shall not be an Inhabitant of either of the said Provinces; and that the Three Arbitrators so appointed as aforesaid, shall have Power to hear and determine all Claims of the Province of Upper Canada upon the Province of Lower Canada, on account of Debts due, or Proportion of Duties under Agreements made and ratified by the Authority of the Legislatures of the said Two Provinces, according to the fair Understanding and Construction of the said Agreements; and also to hear any Claim which may be advanced on the Part of the Province of Upper Canada, in a Proportion of Duties heretofore levied in Lower Canada under Statute Acts of Parliament, the Division of which Duties shall not have been embraced within the Terms of any Provisional Agreement, and to report the Particulars of any such Claim, with the Evidence thereupon, to the Lords Commissioners of His Majesty's Treasury for the time being; and if it shall appear to the Commissioners of His Majesty's Treasury that any Sum is justly due from the Province of Lower Canada to the Province of Upper Canada on account of such last mentioned Claims, they shall signify the same, together with the Amount, to the Governor or Person administering the Government of the Province of Lower Canada for the time being, who shall thereupon issue his Warrant upon the Receiver General of Lower Canada, to pay such Amount to the Receiver General of Upper Canada, in full Discharge of any such Claims.

XVIII. And be it further enacted, That the said Arbitrators shall have Power to send for and examine such Papers, Papers and Records as they shall judge necessary for their Information in the Matters referred to them; and that if any Person or Persons shall refuse or neglect to attend the said Arbitrators, or to produce before them any Papers or Documents, having been duly served in either Province with reasonable Notice in Writing for that Purpose, he, she or they shall forfeit and pay the Sum of Fifty Pounds, to be recovered by Bill, Pleint or Information, in any Court having competent Jurisdiction within the Province in which such Person usually resides, to be applied towards the Support of the Civil Government of the said Province, and to be accounted for to His Majesty, through the Lords Commissioners of His Majesty's Treasury for the time being, in such Manner and Form as it shall please His Majesty in direct.

XIX. And be it further enacted, That the Witnesses to be produced before the said Arbitrators, if it is desired by either of the said Arbitrators, shall and may be sworn before any of His Majesty's Justices of the Peace within either of the said Provinces, or before any One of the said Arbitrators, who are hereby empowered, justly or severally, to administer such Oath; and that if any Person shall, in any such Oath so taken as aforesaid, wilfully swear himself, he shall be deemed guilty of wilful and corrupt Perjury.

XX. And be it further enacted, That in case of the Death, Removal or Incapacity of either of the said Arbitrators before making an Award, or in case the Third Arbitrator chosen or appointed as aforesaid shall refuse to act, another shall be appointed in his Stead, in the same manner as such Arbitrator so dead, removed or become incapable or refusing to act as aforesaid, was originally appointed; and that in case a Third Arbitrator shall be appointed by His Majesty as heretofore mentioned, it shall and may be lawful for the Governor in Chief in and over the said Provinces, to determine the Amount of Compensation to be paid to such Arbitrator, which Amount shall be defrayed in equal Proportions by each Province, and shall be paid by Warrants, to be issued for that Purpose by the Governor, Lieutenant Governor or Person administering the Government of each Province, upon the Receiver General thereof respectively.

XXI. And be it further enacted, That the Award of the Majority of the said Arbitrators, so far as the same shall be authorized by this Act, shall be final and conclusive as to all Matters therein contained; and that if either of the Arbitrators nominated by the Governor, Lieutenant Governor or Person administering the Government of either of the said Provinces, shall refuse or neglect to attend, or do due Notice being given, the Two remaining Arbitrators may proceed to hear and determine the Matters referred to them, in the same manner as if he were present.

XXII. And be it further enacted, That the said Arbitrators, or a Majority of them as hereinbefore mentioned, shall certify the Award to be made by them in the Provinces, under their Hands and Seals, to the Commissioners of His Majesty's Treasury of the United Kingdom of Great Britain and Ireland, and to the Governor, Lieutenant Governor or Person administering the Government of each of the said Provinces; and that if any Sum be directed by the said Award to be paid to the Province of Upper Canada by the Province of Lower Canada, it shall and may be lawful for the Governor, Lieutenant Governor or Person administering the Government of the said Province of Lower Canada, and he is hereby required to issue his Warrant upon the Receiver General of the Province of Lower Canada, in favour of the Receiver General of the Province of Upper Canada, for the Sum so awarded; which Sum shall be accordingly paid by the Receiver General of Lower Canada, in discharge of such Warrant, and shall be accounted for by him to the Lords Commissioners of His Majesty's Treasury for the time being, in such Manner and Form as His Majesty, His Heirs and Successors shall be graciously pleased to direct.

XXIII. And be it further enacted, That the Arbitrators to be appointed under this Act shall have Power to hear and determine any Claims which may be advanced on the Part of the Province of Lower Canada, upon the Province of Upper Canada, being of the same Description as those which by this Act may be preferred to the said Arbitrators on the Part of Upper Canada; and that their Award thereupon shall be final and conclusive, and shall be carried into effect if the same be made in Favour of the Province of Lower Canada, in the same manner as it herein directed with respect to any Award which may be made in Favour of the Province of Upper Canada.

XXIV. And be it further enacted, That of all Duties which have been levied in the Province of Lower Canada since the First Day of July One thousand eight hundred and sixteen, under any Act passed in the said Province, upon any Goods, Wares, Merchandises or Commodities imported by Sea into the Province of Lower Canada, and also of all Duties, which after the passing of this Act, and before the First Day of July One thousand eight hundred and twenty four, shall be levied in the Province of Lower Canada, under any Act passed in the said Province, upon any Goods, Wares, Merchandises or Commodities imported by Sea into the said Province of Lower Canada, the Province of Upper Canada shall be entitled to have and receive One fifth Part as the Proportion of Duties arising and due to the said Province of Upper Canada upon such Importations; and that the Governor, Lieutenant Governor or Person administering the Government of the Province of Lower Canada, shall and may issue his Warrant forthwith upon the Receiver General of Lower Canada, in favour of the Receiver General of the Province of Upper Canada, for such Proportion of the Duties as shall have been received in the Province of Lower Canada before the passing of this Act, and shall and may on the First Day of January and the First Day of July, in each and every Year thereafter, issue his Warrant upon the Receiver General of Lower Canada in like manner, for the Payment to the Receiver General of Upper Canada, of such Sum as may be then ascertained to be due on account of the said Proportion, according to the Provisions of this Act.

After July 1, 1804, proportions of Duties to be awarded by Arbitrators in terms hereof mentioned. Award to be made every Four Years.

XXV. And be it further enacted, That immediately after the said First Day of July One thousand eight hundred and twenty four, the Proportion to be paid to Upper Canada for the Four Years next succeeding, of Duties levied in the Province of Lower Canada, under the Authority of any Act or Acts passed or to be passed therein, upon Goods, Wares and Commodities imported therein by Sea, shall and may be ascertained by the Award of Arbitrators, to be appointed in the same manner and with the same Powers as heretofore provided with respect to the Arbitrators to whom the Question of Arrears is to be referred, and that Arbitrators shall in like manner be appointed, and an Award made hereafter every Four Years thereafter, for the Purpose of establishing such Proportion from time to time; and all and every the Provisions contained in this Act, respecting the Appointment, Powers and Remuneration of the Arbitrators to be first appointed after the passing thereof, and regarding the Execution of their Duty, shall apply and extend to the Arbitrators to be appointed for the Purposes last herein mentioned.

Proportion hereby established to be paid, until a new award is made.

XXVI. And be it further enacted, That after the said First Day of July One thousand eight hundred and twenty four, and until a new Proportion of Duties, to be paid to Upper Canada, shall be established, as heretofore provided, and also at all times hereafter, in default of any such Proportion being appointed, the Proportion of Duties last assigned to be paid to Upper Canada under the Authority of this Act, shall continue to be paid by the Province of Lower Canada, and Warrants shall issue for the Payment of the same, in the same manner as for the Period before the same First Day of July One thousand eight hundred and twenty four: Provided always, that it shall be in the Power of the Arbitrators nevertheless, by their subsequent Award, to alter such Proportion from the Period for which it was last established, if it shall appear to them just so to do.

14 G. 2. c. 28. § 1, 2.

XXVII. And Whereas by a certain Act of the Parliament of Great Britain passed in the Fourteenth Year of His late Majesty's Reign, entitled *An Act to establish a Fixed Amount further defraying the Charges of the Administration of Justice and Support of the Civil Government within the Province of Quebec in America*, certain Duties were imposed upon Goods and Commodities imported into the said Province, which Duties are by the said Act directed to be applied, under the Authority of the Lord High Treasurer, or Comptroller of His Majesty's Treasury, to making a more certain and adequate Provision towards defraying the Expence of the Administration of Justice, and the Support of the Civil Government in the said Province of Quebec; and since the Division of the said Province of Quebec into the Provinces of Upper and Lower Canada, it has been contended, on behalf of the said Provinces, that the Proceeds of such Duties should be distributed between the said Two Provinces in proportion to the Amount of Expences defrayed by each respectively towards the Administration of Justice and the Support of the said Civil Government, and not in proportion to the estimated Consumption within either Province of the Articles upon which such Duties shall have been paid: Be it therefore enacted, That it shall be lawful for the Arbitrators to be appointed, from time to time, for the Purpose of establishing the Proportion which shall be paid to Upper Canada, of such Duties as now are, or hereafter may be imposed, by Acts passed in the Province of Lower Canada, to receive the Claims in behalf of such Province with respect to its Proportion of Duties levied under the said Act passed in the Fourteenth Year of His late Majesty's Reign, since the Expiration of the last Provisional Agreement heretofore made between the said Two Provinces, or which may hereafter be made under the Authority of the said Act, upon Goods and Commodities imported into Lower Canada, and to report the same, with the Evidence thereon, to the Lords Commissioners of His Majesty's Treasury for the United Kingdom of Great Britain and Ireland for the time being, in order that they may make such Order respecting the Proportion in which the same shall be expended within each of the said Provinces respectively, for the Purposes mentioned in the said Act, as to them shall seem meet: Provided always nevertheless, that until such Order shall be made by the Lords Commissioners of His Majesty's Treasury as aforesaid, the Proceeds of such Duties shall be distributed in the same Proportion between the said Two Provinces, as the Duties levied under the Provincial Acts of the Provinces of Lower Canada within the same Period, subject nevertheless to be increased or diminished, as respects either of the said Provinces, by any subsequent Order of the said Lords Commissioners, extending to the Period for which no such Order had before been made.

Arbitrators to receive Claims from Provinces in respect of Proportions of Duties, and report same, with the Evidence to the Treasury.

Provision for Proceeds of such Duties made by Treasury.

XXVIII. And

XXVIII. And Whereas the Division of the Province of Quebec, into the Two Provinces of Upper and Lower Canada, was intended for the common Benefit of His Majesty's Subjects residing within both of the newly constituted Provinces, and not in any manner to obstruct the Intercourse or prejudice the Trade to be carried on by the Inhabitants of any Part of the said late Province of Quebec with Great Britain, or with other Countries: and it has accordingly here made a Subject of mutual Satisfaction between the said Two Provinces, is the several Agreements which have heretofore subsisted, that the Province of Upper Canada should not impose any Duties upon Articles imported from Lower Canada, but would permit and allow the Province of Lower Canada to impose such Duties as they might think fit, upon Articles imported into the said Province of Lower Canada, of which Duties a certain Proportion was by the said Agreements appointed to be paid to the Province of Upper Canada: And Whereas in consequence of the Inconveniences arising from the Contents of such Agreements as above recited, it has been found expedient to remedy the Evils now experienced in the Province of Upper Canada, and to guard against such as might in future arise from the Exercise of an exclusive Control, by the Legislature of Lower Canada, over the Imports and Exports into and out of the Port of Quebec; and it is further expedient, in order to enable the said Province of Upper Canada to meet the necessary Charges upon its ordinary Revenue, and to provide with sufficient Certainty for the Support of its Civil Government, to establish such Control as may prevent the Evils which have arisen or may arise from the Legislature of Lower Canada suffering to expire unexpiredly, or expiring suddenly, and without affording to Upper Canada an Opportunity of Remuneration, existing Duties, upon which the principal Part of its Revenue, and the necessary Maintenance of its Government may depend: Be it therefore enacted, That all and every the Duties which, at the Time of the Expiracion of the last Agreement between the said Provinces of Upper and Lower Canada, were payable under any Act or Acts of the Province of Lower Canada, on the Importation of any Goods, Wares or Commodities into the said Province of Lower Canada (except such as may have been imposed for the Regulation of the Trade by Land or Inland Navigation, between the said Province and the United States of America), shall be payable and shall be levied according to the Provisions contained in any such Acts, until any Act or Acts for expiring or altering the said Duties, or any Part thereof respectively, shall be passed by the Legislative Council and Assembly of the said Province of Lower Canada, and until such Act or Acts, repealing or altering such Duties, shall, after a Copy thereof has been transmitted to the Governor, Lieutenant Governor, or Person administering the Government of the Province of Upper Canada, be laid before both Houses of the Imperial Parliament, according to the Form and Provisions contained in a certain Act of the Parliament of Great Britain, passed in the Thirty first Year of the Reign of His said late Majesty, intituled *An Act to repeal certain Parts of an Act passed in the Fourteenth Year of His Majesty's Reign, intituled 'An Act for making more effectual Provision for the Government of the Province of Quebec, in North America, and to make further Provision for the Government of the said Province, and the Royal Assent thereto pronounced within the Province of Lower Canada, according to the Provisions of the said last mentioned Act.*

XXIX. And be it further enacted, That from and after the passing of this Act, no Act of the Legislature of the Province of Lower Canada, whereby any additional or other Duties shall or may be imposed on Articles imported by Sea into the said Province of Lower Canada, and whereby the Province of Upper Canada shall or may in any respect be directly or indirectly affected, shall have the Force of Law until the same shall have been laid before the Imperial Parliament, as provided in certain Cases by the said Act passed in the Thirty first Year of His said late Majesty's Reign, and the Royal Assent thereto published by Proclamation in the said Province of Lower Canada, a Copy of each Act having, within One Month from the Time of presenting the same for the Royal Assent in the said Province, been transmitted by the Governor, Lieutenant Governor or Person administering the Government of the Province of Lower Canada, to the Governor, Lieutenant Governor or Person administering the Government of the Province of Upper Canada: Provided always nevertheless, that it shall not be necessary to transmit any such Act to be laid before the Imperial Parliament, if, before the same shall have been presented for the Royal Assent within the said Province of Lower Canada, the Legislative Council and House of Assembly of the said Province of Upper Canada shall, by Address to the Governor, Lieutenant Governor or Person administering the Government of the said Province of Upper Canada, pray that their Concurrence in the Imposition of the Duties intended to be imposed by such Act may be signified to the Governor, Lieutenant Governor or Person administering the Government of the said Province of Lower Canada.

XXX. And Whereas it is expedient that the Productions of the Province of Upper Canada should be permitted to be exported without being made subject by any Act of the Province of Lower Canada, either directly or indirectly, to Duties or Impositions on their Arrival in that Province, or in passing through the Waters thereof: Be it enacted, That from and after the passing of this Act, all and every the Boats, Scaues, Rafts, Cribbs and other Craft belonging to any of His Majesty's Subjects, and coming from the Province of Upper Canada into the Province of Lower Canada, not laden with the Productions of any Foreign Country, shall be allowed freely to pass into and through the said Province, and shall not be subject to any Rate, Tax, Duty or Imposition, other than any Charge which may now exist for Pilotage, or which may now be established for Toll at any Lock or other Work now actually erected on the navigable Waters thereof; any Law, Statute or Usage of the Province of Lower Canada to the contrary notwithstanding; and that the Expence of improving the Navigation of the Waters of the River St. Lawrence shall in future be defrayed by such Measures and in such Proportions as the Arbitrators

§ 4

XII. And Whereas by the Provisions in the said Act any Prisoner petitioning for the Benefit of the said Act must execute a Conveyance and Assignment of all the Estate, Right, Title, Interest and Trust of such Prisoner to all the Real and Personal Estate and Effects of such Prisoner (except as therein excepted), so as to vest all such Real and Personal Estate and Effects in the Provisional Assignee of the said Court, and the said Court is empowered to order a Judgment to be entered up against such Prisoner in one of the Superior Courts at Westminster for the Amount of the Debts of such Prisoner which shall at the Time of such Order remain due and unpaid, from which such Prisoner shall be discharged by the said Court, and such Prisoner is required to execute a Warrant of Attorney to authorize the entering up such Judgment: And Whereas a Married Woman being a Prisoner for Debt cannot execute such Conveyance or Assignment, or such Warrant of Attorney for the Purposes aforesaid, and therefore cannot petition for and obtain a Discharge under the said Act, without special Provision being made for such Purpose: Be it therefore enacted, That if any Married Woman being a Prisoner within the Intent and Meaning of the said Act, shall petition to be discharged from any Debt or Debts under the Provisions of the said Act, it shall be lawful for the said Court to receive such Petition without requiring such Married Woman to execute such Conveyance or Assignment, or such Warrant as aforesaid, according to the Provisions of the said Act, but instead thereof, that the said Court shall require such Married Woman to execute a Conveyance and Assignment for vesting in such Provisional Assignee to whomsoever, all Property, Real and Personal, to which she may be entitled for her separate Use, or over which she shall have any Power of Disposition notwithstanding her Coverture, or which shall be vested in any Trustee or Trustees or other Persons or Persons in Trust for her Benefit, and to deliver up all Personal Estate and Effects of which she shall have the actual Possession, except her Wearing Apparel, Bedding and other such Necessaries, set (excepting to the whole the Sum of Twenty Pounds), and also all other Real and Personal Estate and Effects in which she shall be entitled in any manner whatsoever, in Possession, Remainder or Reversion, subject only to such Right, Title, or Interest as her Husband may have therein; and all such Acts she is hereby empowered to do without her Husband, notwithstanding her Coverture, as restricted as to not to prejudice any Right of her Husband in such Real and Personal Estate and Effects respectively; and all such Estate and Effects, Real and Personal, in Possession, Remainder or Reversion, shall, by such Conveyance and Assignment to be executed under the Order of the said Court, be as effectually vested in such Provisional Assignee as aforesaid, as the same might have been vested in such Assignee by the Execution or Assignment of such Woman if she had been sole and unmarried, subject only to the Rights of her Husband therein aforesaid, and all Provisions in the said Act or in this Act contained, touching the Real and Personal Estate of any

Prisoner petitioning to be discharged under the Authority of the said Act shall apply to such Real and Personal Estate and Effects, personally, in the same manner as the same would apply to such Real and Personal Estate and Effects if such Woman had been sole and unmarried, subject only to the Right of her Husband therein, and such Married Woman shall also execute a Warrant of Attorney to confer Judgment in one of the Superior Courts aforesaid, for the Amount of the Debts remaining unpaid, from which she shall be discharged under the Authority of the said Act as aforesaid, and such Warrant of Attorney so executed shall be sufficient Authority for entering up Judgment against such Woman accordingly, notwithstanding her Coverture, but such Judgment shall in no manner prejudice or affect the Rights of her Husband, except that the same shall be deemed and taken to be her Debt in case she shall die in the Lifetime of such Husband, to the End that the same may be discharged out of her Personal Assets in due Course of Administration, or out of her Real Estate, if any she shall have at the Time of her Death, but without Prejudice to any Estate or Interest of her Husband therein as Tenant by the Curtesy; and in case such Woman shall, during the Lifetime of her Husband, become entitled to any Property for her separate Use, such Judgment may be referred against such separate Property, by Sale in Equity or otherwise, under the Order of the said Court, for the Purpose of obtaining Payment of so much of the Debts from which such Woman shall have been discharged by such Court as shall then remain unpaid; and in case such Woman shall survive her said Husband, such Judgment may be after her death enforced against such Woman or her Property, Real and Personal, in such and the same manner and with the same effect as it might have been if she had been sole and unmarried at the Time she executed such Warrant to confer Judgment, and at the Time when such Judgment shall have been entered up as aforesaid: Provided always nevertheless, that the Discharge of any Married Woman under the Authority of the said Act or of this Act, shall not operate to discharge her Husband from any Debt from which his Wife shall be so discharged, but such Debt, so far

as the same shall remain unpaid or unsatisfied, shall be chargeable upon and in force against such Debtor, as fully, to all Intents and Purposes, as if his Wife had not obtained such Discharge.

XIII. And be it further enacted, That any Prisoner who shall have been or shall be declared entitled to the Benefit of the said recited Act, and who shall have obtained or shall obtain a Discharge under the said Act, shall be discharged against every Creditor for any Sum of Money payable at any future Time or Times, who shall under the said recited Act have become entitled by a Dividend of the Estate of such Prisoner in respect to any Debt or Claim so proving due and payable, and which shall not be due or payable at or before the Time of such Prisoner obtaining his or her Discharge, in like manner, to all Intents and Purposes, as if such Debt or Claim were payable presently and not at a future Day.

XIV. And Whereas by the said recited Act the said Court is authorized in certain Cases, upon the Application of any Creditor of a Prisoner, to direct such Prisoner after his Discharge to be brought again before them, and upon due Notice to be given by such Creditor, to rehear the Matter, and make such further Order as to them shall seem fit, in Execution of the Powers in the said recited Act contained; Be it further enacted, That where in any such Case the Prisoner after his Discharge shall refuse or neglect to appear before the said Court, or before the Justices at their General or Quarter or Adjourned Sessions, when the said Court shall direct the Matter to be reheard before such Justices, who are here by authorized to rehear the same, and to issue such further Order as to them shall seem fit, in Execution of the Powers in the said recited Act contained, on the Day and at the Time specified in any Writ of the said Court, a Copy whereof shall have been duly served on such Prisoner, it shall and may be lawful for the said Court to order the said Prisoner to be apprehended and committed into Custody, as such Prisoner as the said Court shall direct, and to issue their Warrant accordingly, and to cause him to be brought up for Examination as often as to the said Court or to the said Justices shall seem fit.

XV. And be it further enacted, That if any Prisoner shall have been adjudged and ordered by the Court to be discharged from Custody after a certain Period, or not to be discharged out of Custody, or neither, or be entitled to any Price taken under the said recited Act, until he shall have been in Custody at the Suit of certain Creditor or Creditors, in such Order made, for a certain Period therein mentioned, and the said Court shall see good and sufficient Cause to believe that such Applications or Order has been obtained on false Evidence, or otherwise fraudulently obtained or improperly made, it shall and may be lawful for the said Court to direct such Prisoner to be brought again before them, and upon due Notice to be given to the Creditor or Creditors named in the said Order, to rehear the said Matter, and not only the said Applications and Order, if they shall see Cause, and to make such further Order as to them shall seem fit, in Execution of the Powers in the said recited Act contained.

XVI. And be it further enacted, That in case any Person having been admitted on the Files of the said Court, to practise therein as an Attorney or Agent on the Behalf of any Prisoner in such Custody, shall be by the said Court removed from the said Files of the said Court, and shall after such Removal practise in the said Court as an Attorney or Agent, on Behalf of any Prisoner in actual Custody, he shall be deemed and taken to be guilty of a Contempt of the said Court, and shall be liable to Fine as well as Imprisonment for the same, as shall every Attorney and Agent, not admitted on the Files of the said Court, who shall practise contrary to the Provisions of the said recited Act or of this Act.

XVII. And be it further enacted, That all Affidavits to be used before the said Court, or any Commissioner thereof, or any Justice of the Peace, or any Officer of the said Court, in whose a Return shall be made by the said Court, or any Executive appointed under the said recited Act, shall and may be sworn before the said Court, or any Commissioner thereof, or any Commissioner appointed by the said Court for the Purpose of taking Affidavits, or any Master Extraordinary in Chancery, or Commissioner for taking Affidavits in any of the superior Courts of Westminster Hall, or in Scotland or Ireland, before a Magistrate of the County, Division, City, Town or Place, where the Affidavit shall be sworn.

XVIII. And be it further enacted, That in every Case where a Prisoner shall be or become an untraded Merchant, and Proceedings shall be had under the said recited Act for the Discharge of such Prisoner by the said Court, and had every Estate, Right, Title, Interest or Law and Equity, Real and Personal, Power, Benefit and Right whatsoever, which if such Prisoner were of sound Mind could or ought to be assigned by such Prisoner, pursuant to the Provisions of the said recited Act or this Act, shall by force and virtue of the Order for the Discharge of such Prisoner be vested in the Provisional Assignee of the said Court, or in other Assignee or Assignees appointed by the said Court, and named in the said Order, as fully and effectually, and in the same Manner, and with all and every the same Consequences and Effects, both in Fact and Law, to all Intents and Purposes whatsoever, as if such Prisoner had been of sound Mind, and had duly conveyed the same to such Provisional Assignee at the Time and in the Manner in the said recited Act provided, and every Assignment heretofore made in such Case by the said Court or as shall be good and lawful by all Intents and Purposes; and that it shall be lawful for the said Court to order Judgment to be entered up against such Prisoner, as the case may happen as if he or she had been of sound Mind, and had executed a Warrant of Attorney to authorize the entering up of such Judgment, in the manner by the said recited Act provided.

XIX. An Act to amend an Act passed in the First and Second Years of His Majesty's Reign for the Relief of Insolvent Debtors in Ireland. [5th August 1822.]

WHEREAS an Act was passed in the First and Second Years of His present Majesty's Reign, for the Relief of Insolvent Debtors in Ireland, whereby Provision was made for the Appointment of Commissioners to preside in a Court of Record in Ireland, to be called the Court for Relief of Insolvent Debtors; and it was therein enacted, that such Commissioners should have Power, under the Restrictions therein contained, to appoint the Officers therein mentioned or described, with Salaries not to exceed in the Whole the Sum of Two hundred Pounds per Annum, as therein mentioned; And Whereas such Commissioners have been accordingly appointed, and divers Officers have been duly appointed by them; and from the Quantity and Importance of the Business to be done by the Officers of such Court, the number of Persons necessary for the proper Discharge thereof, and the Strain in Life from which the Petitioner may be taken to whom such Business could with Propriety be entrusted,

It has been found that the said Sum of Two hundred Pounds, is quite insufficient to afford suitable Salaries for the Officers of the said Court: Be it therefore enacted by the King's most Excellent Majesty, by and with the Advice and Consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the Authority of the same, That so much of the said Act as limits the said Salaries to the Sum of Two hundred Pounds *per Annum*, shall be and the same is hereby repealed; and that in lieu thereof the Sum of Three thousand Pounds by the Year shall be, and be deemed, taken and considered as the Limit which the Salaries of the several Officers of the said Court are appointed, or to be appointed or assigned shall not exceed, and that such Salaries, not exceeding in the whole the said last mentioned Sum of Three thousand Pounds by the Year, shall be paid and payable out of the Fund and in the manner by the said Act provided as that behalf, and as if the said Sum of Three thousand Pounds had been mentioned in the said Act as the Limit of the Amount of the said Salaries.

II. And Whereas an Provision is made in the said Act for procuring in the City of Dublin a Court House for the said Court, and proper and sufficient Offices and Accommodations for the Business of the said Court, and for the safe keeping of the Records thereof, and it is necessary to make Provision in that behalf, Be it therefore enacted, That it shall and may be lawful to and for the Lord Lieutenant, or other Chief Governor or Governors of Ireland for the time being, to order that now and at all other Times when he or they shall think proper or necessary, a suitable and sufficient Court House, with suitable and sufficient Offices for the Purposes aforesaid respectively, shall be provided and maintained in good and sufficient Order and Repair, and that for that Purpose such Building or Buildings as may be necessary for such Court House and Offices shall be taken at a Rent or Rents, and Repairs, Alterations and Additions shall be made therein respectively, according to such Plans, Estimates and Contracts as the Lord Lieutenant or other Chief Governor or Governors of Ireland for the time being shall direct.

III. And be it further enacted, That all and every Sum and Sums of Money which shall from time to time be required and be necessary for the Rent or Rents of any such Building, or for such Allowances, Addition or Repairs, shall from time to time be paid out of the Consolidated Fund, by or under the Orders and Directions of the Lord Lieutenant or other Chief Governor or Governors of Ireland.

IV. And Whereas it is by the said recited Act it is provided, That the said Court in Dublin shall not at any Time be adjourned for any longer Time than One Week, and it is thereby also provided, that while one of the said Commissioners shall be making and attending in such Circuit as therein is mentioned, the other of the said Commissioners shall be attending and proceeding in the said Court in Dublin; and it may sometimes be highly expedient that both the said Commissioners should be absent from Dublin in different Times, Towns or Places at the same Time: Be it therefore enacted, That on any particular Occasion, when the said Commissioners or either of them shall be of Opinion that it would be expedient that both the said Commissioners should be absent from Dublin in different Places at the same Time, it shall and may be lawful to and for such Commissioners or Commissioner to state such Opinion, together with the Grounds and Reasons thereof, in Writing, to the Chief Secretary or Under Secretary, for the Information of the Lord Lieutenant, or other Chief Governor or Governors of Ireland for the time being; and thereupon if such Lord Lieutenant, or other Chief Governor or Governors of Ireland shall approve thereof, and the same shall be certified in Writing to such Commissioners or Commissioner by such Chief or Under Secretary, it shall and may be lawful to and for such Commissioners to be both absent from Dublin at the same Time, in such Places respectively as shall be so mentioned and allowed, and for that Purpose to adjourn the said Court in Dublin for such Time as shall be permitted in and by such Notification; any thing in the said Act to the contrary notwithstanding.

V. And Whereas it is by the said recited Act it is provided that it should be lawful for any Prisoner in actual Custody, as therein mentioned, at any Time within Fourteen Days next after the Commencement of such actual Custody, or next after such Prisoner should have been removed to the Marshalsea, or within such further Time as such Court should think reasonable, to petition the said Court for his or her Discharge, as therein mentioned, and it is not reasonable, and is found inconvenient in Practice, that the Time of so petitioning should in any Degree depend on the Removal of such Prisoner to the Marshalsea, more especially as in case of any particular Hardships the Court has Power to afford Relief: Be it therefore enacted, That so much of the said recited Act as permits any such Prisoner to present such Petition for his or her Discharge, within Fourteen Days after his or her Removal to the Marshalsea, shall be and the same is hereby repealed; and that from and after the Commencement of this Act, no Petition shall be permitted after Fourteen Days from the Commencement of the actual Custody, save under the special Order of the said Court for permitting the same as aforesaid.

VI. And be it further enacted, That on the Taxation of Costs in the said Court, the proper Officer in that behalf, and in every matter of Inquiry duly referred by the said Court as any Officer or Officers thereof, any such Officer shall have full Power to administer Oaths, and to examine all Persons concerned, or who shall come or be produced before him or her, on Oath concerning the matter of such Taxation or Inquiry respectively; and it shall and may be lawful to and for such Court to order and enforce the Attendance of Witnesses, and Production of Books, Papers, Documents and Vouchers before such Officer on such Taxation and Inquiries respectively, in the same manner in all respects as such Court could or might order or enforce the same on any Inquiry or Trial before the said Court.

VII. And Whereas it is by the said recited Act it is provided, that on the Day appointed by the said Court to examine in the said Order mentioned, any One Commissioner of the said Court might and should attend at the Court House in such Assize Town, and proceed to the Dispatch of Business in manner therein mentioned: And Whereas it may from various Causes happen that One of the said

XIX. And he it further enacted, That in the Adjudication of the said Court, that any Prisoner is entitled to the Benefit of the said Act and the Order thereon it shall not be necessary to specify the several Creditors and Persons claiming to be Creditors of such Prisoner, as required by the said recited Act; but it shall be sufficient, if the said Court shall think fit, to refer in such Order to the Schedule of such Prisoner, as specifying such Creditors or Persons claiming to be Creditors of such Prisoner, as to whom the said Court shall adjudge the said Prisoner to be entitled to the Benefit and Protection of the Act, and to be discharged forthwith; and that in all Cases where it shall appear to the said Court that any Prisoner shall have done or committed any Act for which the said Court is by the said recited Act authorized to order that such Prisoner shall not be discharged out of Custody by virtue of the said recited Act, or receive or be entitled to any Proceeds, real or personal, shall have been in Custody at the Seat of some one or more of the Persons who were Creditors at the Time of performing the said Act, or had since become Creditors in respect of Debts then growing due, and from whose Claims he or she shall be discharged by the Judgment of the said Court, for a Period or Periods not exceeding Three Years in the whole; the said Court may adjudge otherwise in the Words of the said recited Act, without naming any such one or more Creditor or Creditors in such Adjudication, and thereupon the said Indebted Creditor or Creditors, and he or she shall be liable to be detained in Prison by law or her then detaining Creditor or Creditors, and to be arrested or charged to Custody by any of the other Creditors in his or her Schedule, until he or she shall have been in Custody for such Period or Periods as the whole is shall be specified in such Adjudication.

XXI. And he it further enacted, That in all Cases in which the said Court shall order any Prisoner to be discharged from Custody as soon as such Person shall have been in Custody during a certain Period, or not to be discharged until he shall have been in Custody during a certain Period, according to the Provisions and Limitations in the said recited Act, the said Court may, if it shall so Come, order any Prisoner to be confined during any such Period within the Walls of such Prison, and not within any Rules or Liberties thereof.

XXVIII. And he it further enacted, That the Owner or Driver of any Waggon, Cart or other Carriage laden with Manure for Land, or Materials for any Turnpike Road or Highway, passing through any Turnpike Gate, or otherwise passing on or across any Turnpike Road, shall not be liable to pay any Toll, nor shall any Toll be demanded for such Carriage so laden, or the Cattle drawing the same, by reason only of any Basket or Baskets, empty Sack or Sacks, or Spade, Shovel or Fork necessary for loading or unloading such Manure or Materials, being in or upon any such Waggon, Cart or other Carriage, in addition to such Manure or Materials, if the Loading thereof is substantially Manure for Land, or Materials for the Repair of any Turnpike Road or Highway as aforesaid; any thing in any Act contained to the contrary thereof notwithstanding.

XXXI. And whereas Coaches, Charriots, Chaises, Chairs, Carts and other Carriages, sometimes pass through Turnpike Gates affixed, tied or secured to Waggon or Cart, and Horses are sometimes sent under the Charge of the Drivers of such Waggon and Cart, and are fastened thereto; and it is expedient to determine what Tolls such Coaches, Charriots, Chaises, Chairs, Carts and other Carriages, and Horses, ought to pay on passing through such Gates: Be it therefore enacted, That where by any Act for repairing any Turnpike Road no Toll is directed to be taken for or in respect of any Coach, Charriot, Chaise, or any other Carriage whatsoever with Four Wheels, passing through any Turnpike Gate, on such Road, affixed, tied or secured to any Waggon or Cart, the same Toll, and no more, shall and may be demanded and taken for and in respect of such Coach, Charriot, Chaise or other Carriage, as if the same had passed through drawn by Two Horses; and where by any Act for repairing any Turnpike Road no Toll is directed to be taken for or in respect of any Chair, Cart or other Carriage whatsoever, with Two Wheels only, passing through any Turnpike Gate on such Road, as aforesaid, tied or secured to any Waggon or Cart as aforesaid, the same Toll, and no more, shall and may be demanded and taken for and in respect of such Chair, Cart or other Carriage with Two Wheels only, as if the same had passed through drawn by One Horse only; and where any Horse shall be fastened to but not used in drawing any Waggon, Cart or other Carriage, such Horse shall not be liable to a higher Toll than a single Horse, provided that if any Coach, Charriot, Chaise, Chair, Cart or other Carriage so affixed, tied or secured to any Waggon or Cart, shall have any Goods conveyed therein other than the Horses thereto belonging, and such Articles of Package as may be necessary for the Protection of such Carriages, the same shall be liable to Double the Toll hereby imposed.

XLII. And he it further enacted, That it shall and may be lawful for the Trustees or Commissioners of any Turnpike Roads, from time to time as they shall see convenient, to compound and agree for any Term not exceeding Three Years at any one time, with all or any of the Inhabitants of the several Parishes, Hamlets or Places, to or through which such Road may lead or pass, for the passing of their Horses, Cattle or Carriages through all or any of the Toll Gates to be erected on such Road, or on the Sides thereof, which Composition shall be paid yearly in advance, and in default thereof, the Composition or Agreement with the Person or Persons making such Default shall thereupon be void; and all such Composition Money shall be paid and applied in such manner as the Tolls are directed to be paid and applied: Provided always, that no such Composition shall extend to the additional Tolls for Over-weight heretofore directed to be taken; but all such additional Tolls shall be demanded and recovered notwithstanding any Composition for Tolls.

XLIII. And he it further enacted, That it shall and may be lawful for the Trustees or Commissioners appointed in and by virtue of any Act of Parliament for the repairing and amending any Turnpike Roads, in case no Power or effectual Power should be given to them under the Act by which they are appointed, and they are hereby empowered, at a Meeting to be held for that Purpose (of which One Calendar Month's Notice shall be given in Writing, to be affixed on all Turnpike Gates which shall be then erected upon such Roads, and in some Public Newspaper circulated in that part of the Country), from time to time to lessen and reduce all or any of the Tolls granted by any of the said respective Acts, for and during such Time as the said Trustees or Commissioners shall think proper; and afterwards at any Meeting to be held as aforesaid, from time to time, as they shall see Occasion, to advance all or any of the Tolls to be lessened to any Sum or Sums of Money not exceeding the several Rates granted by such Acts of Parliament and this Act respectively: Provided nevertheless, that where the whole Money borrowed on the Credit of the Tolls granted by any such Act shall not have been paid and discharged, no such Tolls shall be lessened or reduced without the Consent of the Person or Persons entitled to Five sixths of the Money remaining due upon such respective Tolls.

XLIV. Provided also, and he it further enacted, That in all cases where the Trustees or Commissioners of any Turnpike Road shall reduce or advance the Tolls on the Hoad or Roads for which they shall act, such Reduction or Advance shall be made as to Waggon, Carts and other Carriages, the Breadth of the Wheels whereof is regulated by this Act, with reference to the Proportion or Scale of Tolls payable on such Waggon, Carts or other Carriages, according to the Breadth of the Wheels thereof; (that is to say), the Trustees or Commissioners making the Reduction or Advance shall reduce or advance the Toll payable on Waggon, Carts or other such Carriages, having the Felles of the Wheels thereof of the Breadth of Six Inches, and shall then take and demand double or other Proportions (as the case may be) of such reduced or advanced Tolls on Waggon, Carts or other Carriages, having the Felles of the Wheels thereof of a greater or less Breadth than Six Inches; and the Reduction or Advance of the Proportion of Toll to be payable by this or any other Act of Parliament, in respect of the Breadth of Wheels, or any other Reduction or Advance of Tolls, to be made in any other Way than in manner aforesaid, shall be null and void to all Intents and Purposes whatsoever.

XLV. And he it further enacted, That no Toll Gate shall hereafter be erected on the side of any Turnpike Road, unless the same be ordered by the Trustees or Commissioners at a Meeting, of which Fourteen Days' public Notice shall have been given in Writing affixed upon all the Toll Gates erected on such Road within Ten Miles of the Place where such intended Gate is to be erected, and within the Trust for erecting the same, and also in some public Newspaper circulated in that Part of the Country, specifying the Place where such Toll Gate is proposed to be erected, and unless Five Trustees or Commissioners at least shall sign the said Order at such Meeting.

XLVI. XLVII. And he it enacted, That all and every Mortgage and Mortgagee that hath or have taken or been in Possession, or shall hereafter take or be in Possession of any Toll Gate or Bar set up or erected on any Turnpike Road, or of any Lands or Tenements, the Rents and Profits whereof are appropriated to the Repairs of any Part of any Turnpike Road, shall, within Twenty one Days after he, she or they shall have received Notice in Writing from the Trustees or Commissioners of such Turnpike Road, render an exact Account in Writing to such Trustees or Commissioners, or to such Person as they shall appoint, of all Moneys received by such Mortgagee or Mortgagees, or by any other Person or Persons for his,

XII. And he is further enacted, That if any Mortgagee or Mortgagees of any Tolls, Toll Gates, Bars, Chaises, Toll Houses and Buildings, on any Turnpike Road, shall seek to obtain the Possession of the said Toll Gates, Bars, Chaises, Toll Houses and Buildings, in order to pay himself, herself or themselves the Principal Money and Interest, or any Part thereof, due to him, her or them, it shall be competent for him, her or them, as Lessor or Lessors of the Plaintiff, and upon his, her or their Demise only, and without waiting in such Demise the other Mortgagees of the said Tolls and Premises, to obtain such Possession; but such Person or Persons who shall obtain the Possession thereof, shall not apply the Tolls which may consequently be received by him, her or them, to his, her or their own exclusive Use and Benefit, but to and for the Use and Benefit of all the Mortgagees of the said Premises, *pari passu*, and in proportion to the several Sums which may be due to them as such Mortgagees.

XIII. And he is further enacted, That it shall and may be lawful for any Two or more Trustees or Commissioners of any Turnpike Road, upon the Death of any Collector appointed to collect the Tolls upon such Turnpike Road, to nominate and appoint some other fit Person in his Place until the next Meeting of the Trustees or Commissioners of such Road, which Person so to be nominated and appointed shall have the like Power and Authority, and be accountable in the same Manner in all Respects, as the Person so dying had or would have been if living; and that if any Toll Collector or Deputy Collector, who shall be discharged from his Office by the Trustees or Commissioners authorized for that Purpose, shall refuse to deliver up the Possession of the House, Buildings and Appurtenances, which he enjoyed in Right of his Appointment to that Office, within Two Days after Notice of his Discharge shall be given to him or left at his Dwelling, or if the Wife or Family of any such Toll Collector or Deputy who shall die as aforesaid, shall refuse to deliver up the Possession of such House, Building and Appurtenances, within Four Days after such new Appointment shall be made as aforesaid, then and in either of the said Cases it shall and may be lawful for any Justice of the Peace for the County where such Turnpike House shall be, by Warrant under his Hand and Seal, to order a Constable or other Peace Officer, with such Assistance as shall be necessary, to enter such House and Premises in the Day time, and to remove the Person who shall be found therein, together with their Goods, out of such House, and to put the new appointed Officer into the Possession thereof.

XIV. And he is further enacted, That no Collector or Person renting such Tolls, or residing in such Toll House as aforesaid, and no Apprentice or Servant of any such Collector or Person, shall thereby gain a Settlement in any Parish or Place whatsoever; and that no Tolls to be taken at any Gate erected or to be erected by the Trustees or Commissioners of any Turnpike Road, nor Toll House erected or to be erected for the Purpose of collecting the same, nor any Person as respect of such Tolls or Toll House, shall be rated or assessed towards the Payment of any Poor's Rates, or any other Public or Parochial Levy whatsoever.

XV. And he is further enacted, That if any Collector or other Person appointed to collect the Tolls on any Turnpike Road, shall permit or suffer any Wagon, Wain, Cart or other Carriage to be drawn or pass upon any Turnpike Road within the View or with the Knowledge of such Collector or Toll Gatherer, or to pass through any Toll Gate or Bar, with Wheels of a less Breadth or of a different Construction, or drawn with a greater Number of Horses than by this Act allowed, or without such Names and Descriptions painted thereon as are hereinafter directed, and shall set within the Space of One Week proceed for the Recovery of the Forfeiture or Penalty hereby inflicted, or shall allow any Coach, Chaise, Wagon, Cart or other Carriage, or any Passenger, to pass through any Toll Gate at which such Collector or other Person shall be stationed, without paying the Toll payable, or shall be guilty of any other Misdemeanor in his Office, every Collector or other Person so offending, and being thereof convicted before One Justice, shall forfeit for every such Offence any Sum not exceeding Five Pounds, as the Justice by and before whom such Offender shall be convicted shall judge proper.

LVI. Provided always, and he it further enacted, That on every Letting of any Tolls, the said Trustees or Commissioners shall, if they shall think fit, take of the Renter or Farmer thereof One, Two or more Months Rent in advance before they shall put such Renter or Farmer in Possession of the Toll Gate, Bar, Toll House or Turnpike, at which such Tolls are to be collected, and that in every Agreement to be entered into by any Trustees or Commissioners for the letting of any Tolls, the Rent or Money payable for such Tolls shall be reserved and made payable Monthly, or otherwise, as in the Notice for letting the said Tolls shall be specified; and the Renter or Farmer of such Tolls shall produce Two sufficient Sureties to join in the said Agreement, undertaking on their Parts for the due and punctual Payment of the Rent or Sum of Money to be paid for the said Tolls, according to the Terms of the Agreement entered into by him; and in every Case where the Terms of such Agreement shall not be fulfilled, but the Rent or Sum of Money to be paid at the Commencement of any One Month shall not be paid when the same shall become due, but still remains unpaid for Three Days after the same shall become due, then and in every such Case the Trustees or Commissioners making any such Agreement shall, and they are hereby empowered, if they shall think fit, to declare the said Agreement void, and to re-enter and take Possession of any such Toll Gate, Bar or Toll House, and the Tolls there collected, and to refer the same in manner herebefore directed, or to appoint a Collector or other fit and proper Person to collect and receive the same, and to put out and remove the Person or Persons so failing in their Agreement.

not been sent to work on any Part of such Road, all which Forfeitures shall be paid to the Treasurer of the said Trustee or Commissioners, and applied towards repairing the said Road, and in case the Surveyor or Surveyors of the Highways for any of the said Parishes, Hamlets or Places, shall refuse or wilfully neglect to give in any such Lists as aforesaid, or shall knowingly or wilfully give in false and imperfect Lists, or shall refuse or neglect to collect or pay over such Composition Money, or any Part thereof, in manner aforesaid, every such Surveyor so offending, shall for every such Offence forfeit and pay any Sum not exceeding Ten Pounds.

CV. And be it further enacted, That it shall be lawful for the Trustees or Commissioners of every Turnpike Road to compound and agree with any Person or Persons, Bodies Politic or Corporate, for the Repair or Statute Work to be by law, her or them done on any such Turnpike Road, and also with the Surveyor or Surveyors of the Highways for any of the Parishes, Hamlets or Places in which the said Road doth or shall be situate, for a certain Sum of Money, by the Year or otherwise, so the said Trustee or Commissioners shall think reasonable, in lieu of the Whole or any Part of the Statute Work or other Work to be by all or any of the said Inhabitants and Occupiers done on the said Road, which Composition Money shall always be paid by the Surveyor or Surveyors of the Highways, or other Officer of the Parish, Hamlet or Place, or by the Person or Persons so compounding, to the Treasurer of the Trustee or Commissioners in advance, on or before the Twenty ninth Day of September in each and every Year, or otherwise such Person or Persons, Bodies Politic or Corporate, or Inhabitants and Occupiers within such Parish, Hamlet or Place, shall not be permitted to compound for that Year; and all such Composition Money shall be applied for the Purposes of such Turnpike Road; and that every such Surveyor of the Highways who shall pay any such Composition Money shall be reimbursed the same in like manner as Surveyors of the Highways are by the Law in being to be reimbursed the Money by them laid out and expended in buying Minerals for the repairing of any other Highway or Highways.

CVI. And be it further enacted, That it shall and may be lawful for the Trustee or Commissioners of any Turnpike Road to contract and agree with any Person or Persons liable to the Repair of any Part of the Road under the Care and Management of such Trustee or Commissioners, or of any Bridge thereon, by Tonnage or otherwise, for the Repair thereof, for such Term as they shall think proper, not exceeding Three Years, and to contribute towards the Repair of such Road or Bridges such Sums or Parts of Money as they shall think proper out of the Tolls arising on each Turnpike Road.

CVII. And Whereas many Bridges on Turnpike Roads are by Prescription at present liable to be repaired by certain Parishes, and not by the County or Counties in which they are situated, and which Bridges from Change of Times and Circumstances are become no longer sufficiently convenient for the Use of the Public without being enlarged or otherwise improved; Be it therefore further enacted, That it shall and may be lawful for any such County or Counties, Parish or Parishes respectively, to enter into a Composition or Agreement with each other, and by the Authority of these Powers who shall be legally competent to make Rates for such County and Parish respectively, whereby the Improvement and future Repair of any such Bridge shall be undertaken and lie upon the County or Counties in which such Bridge is locally situated; and that all Rates made for carrying into effect any such Composition, Agreement, Repair or Improvement, shall be made and assessed in the same manner as other the Rates of such County or Parish respectively, and shall be good and valid to all Intents and Purposes in the Law whatsoever.

CVIII. And be it further enacted, That it shall and may be lawful for the Trustee or Commissioners of any Turnpike Road, and for each Parish or Parishes, in like manner to enter into a Composition or Agreement with each other, and by the Authority of the Persons at present legally competent to make Rates for such Parish or Parishes, whereby, in consideration of such Sums or Parts of Money as shall be agreed upon being yearly paid to the Treasurer of the Trustee or Commissioners entering into such Composition or Agreement, out of the Rates to be raised for the Repair of the Bridge or Bridges the Subject thereof, the Repairs of any such Bridge shall, during the Continuance of any Act or Acts of Parliament under which such Trustee or Commissioners shall be appointed or act, be undertaken and carried on by the said Trustee or Commissioners; and that all Rates and Assessments raised and levied for carrying such Composition or Agreement into effect, shall, in like manner, be good and valid to all Intents and Purposes whatsoever.

CIX. And Whereas there are or may be Turnpike Roads in such a State and Condition with regard to their Repairs and the Revenues arising upon them, that the Statute Duty required to be performed upon the same may be in the Whole or in Part dispensed with, and employed more advantageously for the Benefit of the other Public Highways within the Parish, Township or Place liable to the Performance of such Duty; Be it therefore enacted, That it shall and may be lawful for the Justice of the Peace at any Special Sessions, upon Application to them made by the Surveyor of the Highways, or by any Two Inhabitants of any Parish, Township or Place, to summon before them the Clerk and Surveyor of any Turnpike Road within such Parish, Township or Place alleged to be in the Situation before described, and then and there to produce before them a State of the Revenues and Debts of such Turnpike Road, and for such Justice to inquire into the State and Condition of the Repairs thereof, and also of the Repairs of such other Highways; and if it shall appear to the said Justice, upon full and clear Evidence, that the Whole or any Part of such Statute Duty may be conveniently dispensed with upon such Turnpike Road, without endangering the Securities for the Monies advanced upon the Credit of the Tolls thereof, and that such Statute Duty is wanted for the Repairs of the other Highways within such Parish, Township or Place, then and in that case it shall and may be lawful for the said

And be it further enacted, That when the Inhabitants of any Parish, Township or Place shall be indicted or presented for not repairing any Highway being Turnpike Road, and the Court before whom such Indictment or Presentment shall be preferred shall impose a Fine for the Repair of such Road, such Fine shall be apportioned, together with the Costs and Charges attending the same, between the Inhabitants of such Parish, Township or Place, and the Trustees or Commissioners of such Turnpike Road, in such manner as to the said Court, upon Consideration of the Circumstances of the Case, shall seem just, and it shall and may be lawful for such Court to order the Treasurer of such Turnpike Road to pay the Sum so apportioned for such Turnpike Road out of the Money then in his Hands or next to be received by him, in case it shall appear to such Court, from the Circumstances of such Turnpike Debt and Revenues, that the same may be paid without enlarging the Securities of the Creditors who have advanced their Money upon the Credit of the Tolls to be raised thereon, which Order shall be binding upon such Treasurer, and he is hereby authorized and required to obey the same.

CXI. And be it further enacted, That it shall be lawful for the Trustees or Commissioners to make and keep in Repair, or cause to be made and kept in Repair, any Causeway or Causeways for the Use of Foot Passengers in, upon or on the Sides of the Turnpike Road in such manner as they shall think proper, and also to make or cause to be made a Road through the Grounds adjoining to any narrow or narrow Part of any Turnpike Road, (not being the Site or Ground whereon any House or Houe is stand, nor being a Yard, Garden, Park, Paddock, planted Walk or Avenue to any House, or any enclosed Ground planted and set apart as a Nursery for Trees,) as he shall see fit by all Passengers, Cattle and Carriages, as a Public Highway, within the old Road in repairing or widening, and till such Time as it shall be convenient for Passengers and Carriages to pass along the same, making such Reconnissance to the Owners and Occupiers of such private Grounds respectively, for the Damages they shall or may thereby sustain, as shall be adjudged reasonable by the Trustees or Commissioners of the Road under Repair or Alteration; and in case of any Difference concerning such Damages between such Owners or Occupiers and such Trustees or Commissioners, that then it shall and may be lawful for any Two or more Justices of the Peace acting as and for the County wherein such Grounds shall be situate, on American Days' Notice in Writing being given by either Party to the other, to write, adjudge and finally determine what Reconnissance shall be made to such Owners and Occupiers, for the Damages they shall have sustained as aforesaid.

CXII. Provided always, and be it further enacted, That nothing herein contained, as to the making or maintaining any Causeway or Footpath, or any other Matter or Provision in this Act, shall extend or be deemed or construed to extend to authorize or empower any Trustees or Commissioners of any Turnpike Road to lay down, continue, repair or maintain any Pavement, or any paved or pitched Causeway or Footpath, or to open or at the Side of any Turnpike Road within any Town, Village or Hamlet where such Turnpike Road shall pass through the same, unless Provision shall have been or shall be specially made for that Purpose in the Act or Acts of Parliament under which such Turnpike Road shall be made, maintained or repaired, but in default of such Provision all and every such Pavement, paved or pitched Causeway or Footpath, within such Town, Village or Hamlet shall be made, repaired and maintained, by and at the Costs of the Inhabitants of such Town, Village or Hamlet, or by such other Persons as shall be in any wise bled to make, maintain and repair the same.

poses therein mentioned, instead and in lieu of the several, separate and distinct Rates directed by for-
mer Acts to be made, levied and collected, which Rate should be assessed upon every Town, Parish or
Place, within the respective Limits of their Commissions, in such Proportions as any of the Rates
therebefore made in pursuance of the said several Acts had been usually assessed, and the several and
respective Sums so assessed upon each and every Town, Parish or Place, within the respective Limits
of their Commissions should be collected by the High Constables of the respective Hundreds and
Divisions, in which any Town, Parish or Place did lie, in such Manner and at such Times as was and

such Liberties and Franchises as have Commissions of the Peace within themselves: And Whereas

Office of Treasurer for the County of Middlesex; and it is expedient to make further Provision relative
to the Appointment of such Treasurer, and the Security to be taken from him and his Successors for the

make such further Provisions and Regulations touching the assessing, collecting and levying of the
County Rates for the said County, and the Execution of the Office of Treasurer thereof, as are hereinafter

VII. And be it further enacted, That within Fourteen Days after the Allowance of every such Account by the said Justices as aforesaid, the Treasurer of the said County for the time being shall transmit a full Copy of the same Account, with the Names of the Justices who shall have audited and reported on the same subscribed thereto, together with a true Copy of the Order for allowing the said Account, attested by the Clerk of the Peace or his Deputy, to the Churchwardens or Overseers of the Poor of every Parish, or Extraparochial Place in the said County, contributing to the County Rates; for the Information of the Inhabitants of such respective Parishes and Extraparochial Places; and the said Treasurer of the said County for the time being shall, and he is hereby further required, within Ten Days from and immediately after the Time of such Allowance as aforesaid, to publish in Times of the Daily London Newspapers circulating in the said County, a true and accurate Abstract of such Accounts under their several Heads, with the Names of the Justices who shall have audited the said Accounts submitted thereto, under a Penalty of Fifty Pounds for every Omission of such Publication, to be levied and recovered in such manner as by the said Act made in the Fifth Year of the Reign of His said late Majesty King George the Third is directed, with respect to Penalties for Offences committed contrary to the Provisions of that Act; the Expence of which Copies, and of advertising the same as aforesaid, shall and may be defrayed out of the County Rate.

VIII. And be it further enacted, That if it shall appear to the Justices of the Peace assembled at any General Sessions, or General Quarter Sessions of the Peace, or any Adjournment thereof, or the Majority of them, by any such Quarterly Account as aforesaid, that the Treasurer of the said County hath received any Sums or Sums of Money, and not duly accounted for the same to the Amount of Five hundred Pounds or upwards, the said Justices shall and are hereby required forthwith to remove such Treasurer from his said Office, and to appoint some other Person in his Place or Stead; and also to direct the Clerk of the Peace for the said County to put in Suit against such defaulting Treasurer, and his Surety or Sureties, and his and their Heirs, Executors and Administrators, or any of them, or any other Person or Persons liable thereto, the Bond or Bonds to be executed by him or them as heretofore directed, for the Purpose of recovering the Monies which shall have been received and not duly accounted for by such Treasurer as aforesaid.

IX. And be it further enacted, That it shall be lawful for the Justices of the Peace for the said County of Middlesex, assembled at their General Quarter Sessions of the Peace, or some Adjournment thereof, or the major Part of them so assembled, and they are hereby required, after the Accounts of the Treasurer of the said County shall have been audited and allowed as heretofore mentioned, to make a County Rate at each and every such Quarter Sessions for the Quarter of the Year then next ensuing, (to be computed from the County Day in every such Quarter Sessions and the County Day in the Quarter Sessions then next ensuing); every such Rate to be made in the same manner as the Half yearly Rates for the said County have been heretofore made: Provided always, that it shall not be necessary for the said Justices to require new Returns of the Rental or Value of Estates within the several Parishes, Towns, Liberties, Precincts, Villages, Hamlets and Places within the said County, previous to making any such Quarterly Rate; but it shall be lawful for them to make any such Rate or Rates upon any previous Returns, so that such Returns be not made less frequently, or in any other manner than is now required by Law.

X. Provided always, and be it further enacted, That in case, at the Time of making any such Quarterly Rate or Rates as aforesaid, it shall not be made appear to the said Justices that Three fourths or more of the Monies actually received by the Treasurer for the said County for the time being, on account of the last preceding Rate, have been actually and duly expended, then and in such case, and so often as the same shall happen, the Order for making any new Rate shall contain a Proviso or Direction, that no Monies shall be collected or paid as heretofore mentioned, on Account of such new

Rate,

Rate, until Three fourths of the Money so received as aforesaid, on Account of the preceding Rate, shall have been actually expended as aforesaid, and the said High Constable shall have been authorized by writ hereinafter mentioned, to require Payment of the Money due on such new Rate: Provided nevertheless, that in case it shall happen that Three fourths of the Money so actually received on account of a preceding Rate so aforesaid shall have been expended and exhausted in the Interval between any Two General Quarter Sessions of the Peace, then and in such case, and so often as the same shall happen, it shall be lawful for the Justices of the Peace for the said County, at any Adjournment of such Sessions, or at any General Sessions of the Peace, or Adjournment thereof, on Petitions before three of the Order made as the then last preceding General Quarter Sessions of the Peace, for the raising of a new Rate with such Proviso or Restriction as hereinafter mentioned, and on the Oath of the Treasurer for the said County for the true being, (which Oath the said Justices are hereby authorized to administer,) that Three fourths or more of the Money actually received as aforesaid here been then duly paid and expended, to make an Order for authorizing the Payment and Receipt of the Rate so made as last aforesaid; and thereupon it shall be lawful for the High Constables receiving such Order to issue their Warrants to all the Shopkeepers, Overseers and other Persons, who shall or may be liable in that behalf, demanding Payment of the same, and which shall be accordingly paid in like manner as if no such Proviso or Restriction as aforesaid had been contained in the Order for making such Rate or Rates.

XI. And be it further enacted, That in case the Treasurer of the said County for the time being shall die, or become Bankrupt or Insolvent, and at the Time of such Death, Bankruptcy or Insolvency, any Balance shall appear to be due from such Treasurer, or his Estate, or any Sum of Money shall be unaccounted for by him, which shall not be immediately recoverable, then, and in any or either of the said cases, and so often as the same shall happen, it shall be lawful for the said Justices, at the next General Sessions, or General Quarter Sessions of the Peace for the said County, if they shall find it expedient to make a new Rate or Rates for making good such Balance or Sum of Money unaccounted for, notwithstanding Three fourths of the then preceding Rate may not have been expended, independent of such Balance or Sum so unaccounted for as the case may be, any thing contained in the said recited Acts, or in this Act to the contrary in any wise notwithstanding: Provided always, that a separate and distinct Rate shall be made for each or any of the Purposes last mentioned; and the same shall not be included in any General Quarterly Rate to be made as aforesaid; and the Cause of making such Special Rate as last mentioned shall have been made and mixed, and every such Sum and Sum of Money as shall be recovered from the Treasurer making such Default as aforesaid, or his Assignors, or his Heirs, Executors or Administrators, or his Surety or Sureties, he or their Heirs, Executors or Administrators, shall be paid to the next succeeding Treasurer of the said County as Part of the County Stock.

XII. And Whereas a County Rate, made by the Justices of the Peace for the said County of Middlesex, on or about the Tenth Day of January One thousand eight hundred and twenty two, was, at the General Quarter Sessions of the Peace, holden by Adjournment on or about the Eighteenth Day of April One thousand eight hundred and twenty two, quashed on the Ground that it did not sufficiently appear that Three fourths of the Money, received on account of the last preceding Rate, had been expended previous to the making of such Rate: And Whereas some Payment or Payments may have been made on Account of the Rate so quashed: And Whereas on or about the same Eighteenth Day of April One thousand eight hundred and twenty two, another Rate was made for the County in lieu of the Rate so quashed as aforesaid, but Doubts are entertained whether such new Rate is not also illegal on the Ground above stated: Be it therefore enacted, That all and every Payment and Payments which, before the passing of this Act, hath or have been made on account of the Rate so quashed as aforesaid, shall be taken and accepted as a Payment or Payments on account of the Rate made on the Eighteenth Day of April One thousand eight hundred and twenty two aforesaid.

XIII. And be it further enacted, That the said last mentioned Rate shall be and be deemed to be as good and valid as if Three fourths of the Money collected or received on account of the last preceding Rate had been duly expended previous to the making thereof, (subject nevertheless and without Prejudice to any Appeal or Appeals already made or hereafter to be made against any Part or Parts of the same, on the Ground of any Inequality in the Assessments of any Parishes or Places specified or comprised therein.)

XIV. And be it further enacted, That it shall be lawful for the Churchwardens and Overseers of the Poor of every Parish or Extraparochial Place within the said County, from time to time, by any Writing or Writings under his or their Hand or Hands respectively, to appoint any One or Two Persons to inspect the Accounts of the Treasurer of the said County, and the Vouchers for the same, in which case any Two Justices of the Peace for the said County shall, and are hereby authorized, if they shall think fit, to make an Order that the Person or Persons so to be appointed shall have full and free Access to such Accounts and Vouchers, and all Papers connected therewith, at all reasonable Times; which Order the said Treasurer and the Clerk of the Peace for the said County, and all other Persons concerned or interested are hereby required to obey; and every Person disobeying such Order shall for every such Act of Disobedience incur a Penalty of Fifty Pounds, to be levied and recovered in such manner as, by the said Act of the Fifth fifth Year of the Reign of His late Majesty King George the Third is directed with respect to Penalties for Offences committed contrary to the Provisions of that Act.

XV. And be it further enacted, That it shall be lawful for any such Churchwarden or Churchwardens, Overseer or Overseers as aforesaid, or any other Person or Party who shall be liable to the Payment of

Rate have not been expended, Order for Payment of Money on such Rate, when Three fourths of the money collected by virtue of preceding Rate have been expended between Two General Quarter Sessions.

every such Rate or Rates as aforesaid, to ask and demand of and from the Clerk of the Peace for the said County or his Deputy, a Copy or Copies, Extract or Extracts of or from any Order or Orders for making any County Rate or Rates, or for any Payments or Allowances out of Monies arising from any County Rate or Rates, and also any Copy or Copies, Extract or Extracts of or from any Account or Accounts of the Treasurer of the said County, or any Voucher or Vouchers belonging to any such Account or Accounts; for which Copies or Extracts the said Clerk of the Peace shall be allowed to charge the Sum of One Shilling if the same shall not contain more than One hundred Words, and if the same shall contain more than One hundred Words, then at and after the Rate of One Shilling for the first One hundred Words contained therein, and for every subsequent One hundred Words, and so in proportion for every Number of Words (more or less) than One hundred after the first One hundred Words, and so more; and if the Clerk of the Peace or his Deputy shall, for Ten Days next after he shall be so asked or required, refuse or neglect to give such Copy or Copies, Extract or Extracts as aforesaid, to any Churchwarden or Churchwardens, Overseer or Overseers, who shall so ask or demand the same, and also shall, at the Time of such Demand, offer to pay the Charges of such Copy or Copies, Extract or Extracts as heretofore directed, he or they shall for every such Refusal or Neglect be liable to the Penalty of Twenty Shillings, to be levied and recovered in such manner as by the said Act of the Fifth Sixth Year of the Reign of His late Majesty King George the Third is directed with respect to Penalties for Offences committed contrary to the Provisions of that Act.

XVI. And be it further enacted, That if the Churchwarden or Churchwardens, Overseer or Overseers of the Poor, or other Inhabitants or Inhabitants of any Parish, Township or Place, whether Parochial or otherwise, where there is no Churchwarden or Overseer, or Person appointed to act as such, shall at any Time have reason to think that such Parish, Township or Place is aggrieved or injured by any Rate or Rates to be made under or by virtue of either of the said recited Acts, or of this Act, on the Ground of any Account of the said Treasurer, or any Part or Parts of any such Account, not having been audited, or having been audited or inspected and/or allowed, or of such Abstract as aforesaid not having been published as heretofore directed, or on the Ground of Three fourths of any former Rate or Rates not having been duly expended previously to the making of any new Rate or Rates, or any other just or reasonable Objection to such Rate or Rates, then and in such case and so often as the same shall happen, it shall be lawful for such Churchwarden, Overseer or other Inhabitant as aforesaid, who shall so think himself or themselves, or the Parish, Township or Place, in respect of which he or they shall be interested or concerned, aggrieved or injured as aforesaid, to appeal against any such Rate or Rates to the next General Sessions or General Quarter Sessions of the Peace for the said County, provided the County Day of such Sessions shall not fall or happen within Fourteen clear Days next after the Expiration of One Calendar Month from and after the Receipt by such Churchwarden or Overseers of the Poor of the before mentioned Copy of the Order for making such Rate; but if the same County Day shall so fall or happen, then to the General Sessions or General Quarter Sessions then next succeeding, such Churchwarden or Overseer, or other Inhabitant as aforesaid, giving Ten clear Day's Notice in Writing of his or their Intention so to appeal previous to the County Day of such Sessions or succeeding Sessions, as the case may be, to the Clerk of the Peace and the Treasurer for the said County for the time being, by leaving the same at their respective Offices; and the Justices of the Peace shall at such Sessions or succeeding Sessions, or at some subsequent Sessions to which they may think proper to adjourn such Appeal, hear and determine the Cause and Matters thereof, and quash, alter or amend the Rate appealed against, or give such other Relief as the Premises as to them shall seem just and proper: Provided always, that the Payment of any Rate or Assessment shall not be suspended or delayed in consequence of any such Notice of Appeal, or while such Appeal may be depending, but the same and every Part thereof shall and may be demanded, collected and recovered, in such and the same manner as if no such Notice of Appeal had been given.

XVII. Provided also, That no Rate or Rates, Assessment or Assessments, Order or Orders, or other Proceedings whatsoever under this Act or the said recited Acts, shall be quashed or quashed for want of Form; but that any Rate or Assessment, or any Matters of Form in any Order or Proceeding may be amended as the Justices at any such General Sessions or General Quarter Sessions of the Peace may order and direct.

XVIII. And be it further enacted, That in case of any Appeals respecting any Thing done in pursuance of this Act, or any other Act or Acts relating to the County Rates, the Expenses of all such Appeals shall be borne and paid by such respective Parishes, Townships, Places and Persons, or such of them, and in such Proportions as the said Justices shall upon any Appeal at their General Sessions or General Quarter Sessions award and order, and shall not be charged to or be paid out of the County Rate.

XIX. And be it further enacted, That the Costs and Expenses of preparing, obtaining and passing this Act, and all other Charges incident or relating thereto, shall be paid by the Treasurer of the said County of Middlesex out of the First Monies which shall be in his Hands on account of the County Rates.

XX. And be it further enacted, That this Act shall be deemed and taken to be a Public Act, and shall be judiciously taken Notice of as such by all Judges, Justices and others, without being specially pleaded.

Cap. cix.

An Act for renewing the Waterworks at London Bridge.

[29th July 1822.]

WHEREAS by an Indenture bearing Date the Thirtieth Day of May, in the Twenty third Year of the Reign of Her Majesty Queen Elizabeth, and made or expressed to be made between the Right Honourable Sir John Brouncker Knight, Lord Mayor of the City of London, and the Commonalty and Citizens of the said City, of the One Part, and Peter Morry of the other Part, and an Indenture bearing Date the Twenty fourth Day of December, in the Twenty fifth Year of the Reign of Her said Majesty Queen Elizabeth, and made or expressed to be made between the Right Honourable Thomas Micoke Lord Mayor of the said City of London, and the Commonalty and Citizens of the same City, of the One Part, and the said Peter Morry of the other Part; and an Indenture bearing Date the Twenty fourth Day of November One thousand seven hundred and one, and made or expressed to be made between the Mayor and Commonalty and Citizens of the said City of London of the One Part, and Thomas Morry, Administrator of his Grandfather the said Peter Morry, of the other Part; the said Mayor and Commonalty and Citizens granted Licences to erect certain Engines in the River Thames, at London Bridge, and to lay down Pipes for supplying the Inhabitants of London with Water, for Terms, of which Two hundred and sixty Years, or thereabouts, are now unexpired; And Whereas certain Persons entered into a Copartnership, for carrying on the said Waterworks, under the Firm or Style of "Proprietors of the London Bridge Waterworks;" and by virtue of an Indenture or Deed of Regulation, bearing Date the Twenty sixth Day of June One thousand seven hundred and three, the Property of the said Copartnership was divided into Three hundred Shares, and the Management, Control and Direction of the same, and the Business thereof, were vested in Nine Persons, Proprietors of the said Works, to be appointed as therein is mentioned, and called "A Committee of Assenters," or the major Part of them: And Whereas Two further Licences to erect Engines in the said River, at the said Bridge, for supplying the Inhabitants of London and Southward with Water, have been granted to certain of the Proprietors of the said Waterworks, for Terms of which Two hundred and sixty Years are now unexpired, by certain Indentures, One of them bearing Date the Fifth Day of August One thousand seven hundred and sixty one, and made or expressed to be made between the said Mayor and Commonalty and Citizens of the One Part, and Thomas Storie, John, both as Merchants, Abraham Selous, and Judge Lake, Esquires, for and on Behalf of themselves and the Rest of the Proprietors of the London Bridge Waterworks, of the other Part: and the other three bearing Date the Eighth Day of July One thousand seven hundred and sixty seven, and made or expressed to be made between the said Mayor and Commonalty and Citizens, of the One Part, and the said John Astley, Merchants, Abraham Allow and Judge Lake, for and on Behalf of themselves and the Rest of the Proprietors of the London Bridge Waterworks, of the other Part: And Whereas the said Proprietors of the London Bridge Waterworks have, from time to time, purchased and obtained, for the Purposes of their said Copartnership, certain Messuages, Grounds, Buildings, Tenements and Hereditaments: And Whereas the Proprietors of the said Waterworks who now form the Committee of Assenters, under or in pursuance of the said Indenture or Deed of Regulation, are Richard Clarke Esquire, William Child Esquire, Joseph Brodley Esquire, William Wallis Esquire, Daniel King Esquire, George Sibley Esquire, an Alderman of the said City of London, Thomas Poynder Esquire, William Fitz Esquire, and Sir Francis Molyneux Osbourne Knight; and Richard Percival Esquire is now the Treasurer of the said Proprietors of the said Waterworks: And Whereas each and every of the said Three hundred Shares of and in the said Copartnership hath been divided into Five Shares, so that the Property of the said Copartnership now consists of One thousand five hundred Shares: And Whereas by an Act passed in the Twenty ninth Year of the Reign of King George the Second, entitled *An Act to improve, widen and enlarge the Passage over and through London Bridge*, it was provided, that nothing in that Act contained should extend, or be construed, decreed or taken to extend, to empower the Mayor, Aldermen and Commoners of the City of London, in Common Council assembled, to renew or alter any of the Arches under the said Bridge, or any Engines fixed up thereon, which then belonged to the Proprietors of the London Bridge Waterworks, or to take away any Right which the said Proprietors of the said London Bridge Waterworks then had, to the Use or Enjoyment of any of the Arches of the said Bridge, by Grant or Lease from the Mayor and Commonalty and Citizens of London, for raising Water therefrom; and it was thereby enacted, that if it should be found necessary to take down or alter any of the Piers of the said Bridge, in order to enlarge any of the Arches thereof, and thereby the raising of Water by the said Works should be prejudiced, that then and in every such case the said Mayor, Aldermen and Commoners of the said City, in Common Council assembled, should, and they were thereby required, on Complaint and Proof of such Damage, to stop or put up, or cause to be stopped or put up, a like Body of Water as should be discharged by the taking down or altering any

of the said Piers, for the Use of the Proprietors of the said Waterworks. And Whereas by virtue of the Powers of the said Act, Two of the Arches or Waterways of the said Bridge were converted into Quay, by making the greatest large Arch near the Centre thereof: And Whereas, in order so give force to the said Waterworks, several of the Arches or Waterways under the said Bridge have since been partially damped or stopped up, in pursuance of the said Act, and additional Wheels and other Machinery have been since erected, extending further into the River from both Shores, on the West Side of the said Bridge: And Whereas the great Fall of Water occasioned by the said Waterworks and Obstructions renders the Navigation through the Bridge, at particular times of the Tide, dangerous and destructive to the Lives and Property of His Majesty's subjects: And Whereas it is necessary that the said Waterworks and Obstructions should be removed from the said River; but it is expedient that the Public should not be deprived of the Supply of Water which is now afforded by the said Waterworks: And Whereas by Letters Patent of His Majesty King James the First, bearing Date the Twenty first Day of June, in the Seventeenth Year of the Reign of His said Majesty, after reciting (amongst other things) that *High Nobles* (afterwards Sir *High Nobles*), with the Aid of other Adventurers, had brought a fresh Stream of running Water from the Springs of *Chiswell* and *Asswell* in the County of *Hertford* to the City of *London* and the Suburbs thereof, it was granted, ordered and appointed, that the said Sir *High Nobles* and the Twenty eight other Persons therein named, and all and every Person or Persons who thereafter should be elected and chosen into the Place of them, or any of them who should die or be removed, thereafter should be One Body Corporate and Politic, by the Name of "The Governor and Company of the New River brought from *Chiswell* and *Asswell* to *London*;" and that by the same Name they should have perpetual Succession: And Whereas for the Purpose of obtaining the Removal of the said Waterworks and Obstructions, and procuring the Continuance of a Supply of Water to the Inhabitants of the Places who are at present supplied with Water from the said Waterworks, the Mayor and Commonalty and Citizens of the City of *London*, and the said Committee of Assistants of the Proprietors of the said *London Bridge Waterworks*, and the Governor and Company of the *New River*, are willing and desirous of effecting an Arrangement, whereby all the houses and tenements licensed Licences for erecting Engines on the said River may become void, and all the Messuages, Buildings, Grounds, Tenements and Hereditaments of the Proprietors of the said Waterworks, and all the Wheels, Pipes, Engines, Apparatus and Stores, and all the Water Rents payable to them here and after the Twenty fourth Day of June now last past, should be absolutely vested in the said Governor and Company of the *New River*, who should be empowered to raise Water, by Means of Steam Engines, from the said River *Thames*; and that in Part Compensation to the said Proprietors of the said Waterworks, the said Governor and Company of the *New River* should secure to them certain Annuities or yearly Sums during the Term of Two hundred and sixty Years, being the Residue remaining unexpired of the Term of Years for which the aforesaid Licences were granted;
